From Trade Directories:

White's Directory 1853

Samuel Timm	Black Lion
Samuel Baguley	Victoria

It follows that the Royal Oak became the Black Lion, became the Manvers Arms and the Duke of Wellington became the Victoria, became the Rose and Crown.

Manvers	Rose and Crown
1822 Royal Oak	Duke of Wellington
1825 Black Lion	Duke of Wellington
1853 Black Lion	Victoria
1861 Manvers Arms	Rose and Crown
1939 Manvers Arms	Rose and Crown

NB The Duke of Wellington *may* have changed its name to 'Victoria' when Queen Victoria came to the throne in 1830?
